MEMORANDUM FOR: DDS&T Career Service Board

FROM:

Director, DDS&T Career Development Course

STAT

SUBJECT: Letter of Appreciation

1. I would like to express my sincere appreciation to the Career Service Board for having given me the opportunity to serve as the Director of the DDS&T Career Development Course. It has been an experience that I will not soon forget. The association and camaraderie with the class members have been personally rewarding to me. I believe that I have enjoyed this assignment as much as any that I have had in my years with the Agency. I am most fortunate.

2. The programs prepared by the various S&T Offices in support of the Career Development Course have all been superior. Without their generous and enthusiastic contributions and able assistance, the program would not have been able to meet its goals and objectives. Also, it would not have the outstanding reputation that it enjoys today.

3. Again, my personal thanks to each of you for having selected me to serve as the Course Director and the outstanding support that you have given me this past year.
